ABOUT ME

From 2020 to 2021, I studied for a diploma in ICT (Software Engineering) at Asia Pacific University of Technology and Innovation (APU). Currently, I am pursuing a bachelor's degree in Software Engineering at Universiti Tunku Abdul Rahman (UTAR). I gained valuable experience through a two-month internship at JustSimple (M) Sdn Bhd, where I leveraged my programming knowledge to fulfil the requirements of a software development internship.
